IHSA 82-012

1 March 1982

MEMORANDUM FOR: ODP Customer Services

THROUGH:

DDA ADP Coordinator

FROM:

DDA/IHSA

SUBJECT:

Increase of Disk Space

STAT

1. Because of increased software and data storage needs we have found that the space originally allocated for our Data Base Survey is inadequate. Therefore we are requesting that space DDA 114 be increased from three (3) cylinders to six (6) cylinders.

2. Thank you for your understanding.
